My Dear Kesavangar,

I beg to report, for the information of Government, that I visited Sringeri on Friday last and interviewed His Holiness, with reference to the communication sent by him to His Highness the Maharaja, intimating his intention to proceed to Kaladi for a change.

I interviewed His Holiness on Friday, Saturday, and Sunday (19th, 20th and 21st inst.). His health is good, but he mentioned to me that he was finding Sringeri very dull and depressing. He feels that a change will do him good. His first idea was to go to Nasik, but owing to its distance from Sringeri and ~~xxxxx~~ rather, to him, outlandish atmosphere of that place, he thinks that it will be better for him to go to the birth place of his own Guru, where besides he has got ample facilities in the way of buildings, places of worship and so on. His Holiness contemplates to undertake the journey by motor car. He wants to be provided with a motor car lined with Krishnanjan.

As regards the date of the journey, it will have to be fixed for a suitable date after Uttarayana Punyakala which falls on the 14th January 1938. There seems to be a feeling that perhaps it may be possible to undertake the journey earlier. This of course is a matter in which the final decision will be made by His Holiness very soon.

So far as the establishment accompanying His Holiness is concerned, the idea is to take the personal staff that is at Sringeri with him. So far as the menials are concerned, the existing establishment at Sringeri will be disbanded and fresh men entertained at Kaladi.

It is difficult to estimate what exactly will be

the additional amount that will be required for His Holiness's camp at Kaladi. We have no data available on the subject. But I consider - and Mr. Srikanta Sastry also agrees - that probably we may provide a sum of Rs 1000/- a month. It will be possible to provide this amount from savings in the Budget, and if necessary, by drawing on the cash balance available. (2) His Holiness's intention is to take the Junior Swamigalu also with him.

It seems to be necessary and also desirable that a letter should be formally sent to the Travancore Government through the Residency, communicating to them the fact that (3) His Holiness is proceeding to Kaladi quietly for a change, and that the authorities of the Travancore Government may be instructed to afford whatever assistance that the Agent may ask for. We do not require their assistance at all, but it will be better to make such a requisition not only because it is desirable to keep them informed of the stay of the Sri Swamigalu at Kaladi, but also to provide for any special assistance that may be urgently required. A similar intimation may be sent to the Cochin Government also, as His Holiness will be passing through Cochin territory and also camp at Shoranur, on the Cochin side of the river.

An itinerary is being prepared. His Holiness desires to travel by stages of 50 miles a day. The best route to adopt will be via Bhandipur, Gudalur, Nilambur, Shoranur, Trichur, and on to Kaladi.

His Holiness expressed his appreciation of the quiet and efficient manner in which the Jaghir affairs have been managed by Government. He wanted that Mr. Y. Srikantaiya the present Agent, should be continued in that capacity and that the management of the Jaghir may remain with Government until further orders. He showed considerable interest in the affairs of the Jaghir.

The really good results that have been achieved during the period that the affairs of the Mutt have been managed by Government appear to have made some people jealous, and I found that the actual amount of benefit that has accrued to the Mutt had not been fully brought to the notice of His Holiness. I gave him all the available information and have further promised to send him, for his information a statement showing the actual position of affairs with necessary statistics. His Holiness will be very much interested in a statement of that description and it will also bring him to realise the excellent work that has been done during the period of Government management. I shall also send a report on this subject to Government separately.

His Holiness desires to raise the pension that is now being paid to Mr. K. Rama Sastry from Rs 50/- to Rs 100/- per mensem. He wishes this arrangement to be given effect to from 1st December 1937. I request the orders of Government on this matter. (4)

Yours Sincerely,
H. Amantavane
